

Call for offers

Database and moodle-based e-learning tools

ERASMUS+ FEAL Project

In order to complete the e-learning offer of the FEAL Project 2016-1-SK01-KA202-022502, EUCALAND is searching for someone who is able to fulfill the following tasks:

- Web training modules in 6 languages - on EAL Case Studies webpage
- Basic Design of Training Module PDFs
- Setting up of Google Doc Forms in 6 Translations (Evaluation forms)
- Moodle System Setup & Installation with the same content, linked to FEAL Website
- Drupal Geodata Integration on Map: EAL Case Studies (database already existing)
- Drupal Geodata Integration on Map: FEAL eAtlas (database already existing)

All works have to be integrated in the project website: <https://cs.feal-future.org/en>.

Content, Translations and Media will be provided by the client.

The work has to be done in English. Every content will be set up on the web in 7 languages at all (DE, EN, ES, FR, IT, SI, SK).

Timeframe: Start: 30th July. All works shall be finished latest in March 2019, but preferable December 2018.

Deadline for offers: 23rd July 2018

Decision: 27th July 2018

Please send your offers to: secretary@eucalandnetwork.eu
